BRITISH OPEN ROEHAMPTON

TRANSPORT ROTA

Player Transport

IMPORTANT INFORMATION

Players are required to read the below information before using the tournament transport

PLEASE READ CAREFULLY

All departure and arrival times are approximate and may be affected by London transport delays.

Players must allow enough time to ensure timely arrival at matches and practice sessions.

Transport is prioritised for players and coaches on a first-come, first-served basis. Players should arrive 10 minutes prior to estimated departure time.

- Please note that some departure times are busier than others
- You may need to wait for the next available bus — plan ahead accordingly.
- We cannot guarantee your preferred time

Additional player support team members may use transport only if space is available.

Buses operate in busy areas — please take care when boarding and exiting and you do this at your own risk

Players are responsible for their own bags and belongings — drivers and staff are not liable for lost items or putting bags on or off the bus

Aggressive or disrespectful behaviour toward staff will not be tolerated and may result in removal from transport privileges.

It is a player's responsibility to get on the correct bus. Please note we have buses going to multiple locations
